Mike Wood Team Expands

Reno, Nev. (October 6, 2016) – The Mike Wood Team, which is part of RE/MAX Realty Affiliates, has recently expanded to include four new team members.

Ashley Parent, who earned her license in 2013, has joined the team as a listing agent and buyer’s specialist. A University of Nevada, Reno graduate, she specializes in luxury homes, new construction, relocation and investments.

A former Navy veteran and congressional analyst for the Department of Veteran Affairs, Brian Bajune is now an exclusive buyer’s agent for the team. Bajune, who grew up in Fallon, has worked in every aspect of the industry, representing sellers, buyers, investors and banks in the residential market.

Shauna McArthur is the licensed transaction coordinator for the Mike Wood Team. She assists the seven buyer’s agents on the team, handling the organization and paper trail for each of their deals to ensure a smooth transaction.

Nikki Solomon has been hired as a personal assistant to the Mike Wood Team. Her adventurous spirit, creative side and type A personality makes real estate the perfect career for her. Her goal is to put a personal touch with a fun spin on the advertising side of real estate.

“I am blessed to have team members who take such great care of our clients,” said Wood. “They also give back to the community through supporting local non-profits, as we firmly believe givers gain.”
