**RE/MAX Realty Affiliates Agents & Teams Named
“America’s Best Real Estate Agents” List**

Reno, NV (July 25, 2016) - Many RE/MAX Realty Affiliates agents and teams were recently named to the “[America’s Best Real Estate Agents](#),” compiled by industry analyst REAL Trends and based on 2015 production. The agents included in the survey represent less than one percent of all real estate professionals in the United States.

- Mary Jo Brummer, Carson City
- The Diane Heaton Team, Reno
- The Brian Lessinger Team, Reno
- Laura Moline, Gardnerville
- The David Morris Group, Reno
- Christianne O’Malley, Reno
- The Scott Smith Team, Gardnerville
- The Mike Wood Team, Reno

“America’s Best” is the industry’s largest ranking of agents based on homes sold in 2015. The survey is open to individual agents who closed at least 50 transaction sides or \$20 million in sales volume and teams who had at least 75 sides or \$30 million in volume. The fourth annual ranking groups agents by state and metro area. Both individual agents and teams are recognized for their number of transaction sides and/or sales volume.

“Our agents at RRA are the best of the best,” said Amy Lessinger, broker and co-owner of RE/MAX Realty Affiliates. “To have multiple agents be recognized individually, on a national level, is an amazing accomplishment and we are so proud of their success.”

RE/MAX agents accounted for 22 percent of the more than 12,000 participating agents who qualified for the survey. This year, RE/MAX had more agents named in the survey than any other brand.

With nearly 100 agents in Reno, Carson City and Gardnerville, RE/MAX Realty Affiliates is Northern Nevada’s highest producing office in per agent productivity on average, as recognized by Northern Nevada Regional Multiple Listing Service.
